

August 2026

To All SAFCA Members

Greetings to you all.

Regional Meetings:

Due to our continued focus on managing the costs of this association, it has been decided to conduct one regional meeting per region per annum. While in each region, I will take the opportunity to also meet with management from grower companies to continue developing our relationship with them.

AGM:

This year's **AGM** will be held in **Mpumalanga** on the **18th November** at a venue to be advised. Please diarise the date and make every effort to attend.

It is not only imperative for our AGM to be substantially attended by our members so that decisions taken during the meeting are done by far more than a quorum, but also a great opportunity to network with other contractors as well as industry leaders.

The recent AGMs have proven to be very successful and enjoyable. Please support your association by making this year's one even more memorable.

Our constitution requires that we appoint the SAFCA Board annually, allowing for a minimum of four, and a maximum of six board members. We currently have five board members, three of whom will be resigning due to time constraints (two from KZN and one from Mpumalanga). Please forward your carefully considered nominations timeously, so that ideally, we achieve board representation in all regions.

SAFCA Members:

I would like to especially welcome all the members that have recently joined SAFCA. I look forward to meeting you all, and trust that your new endeavours will prove to be very successful.

Please contact me if there is any way in which SAFCA can be of further assistance to you.

Kindest regards

Roger Johnston | CEO
