SAFCA
SOUTH AFRICAN FORESTRY CONTRACTORS ASSOCIATION

November 2026

To All SAFCA Members

Greetings once again to you all.

AGM

A reminder of why your attendance at our AGM, to be held at the **Sappi Ngodwana Dam Venue** in Mpumalanga on the **18th November** at **09h00,** is crucial.

1. **Presenters** who will be sharing relevant and informative industry information.

2. **Sponsors** showcasing forestry equipment set up at the venue. In addition, attendees' names will go into a draw for valuable, sponsored items.

3. **Board appointments.** Please be there to vote and help us achieve board representation in all regions.

4. **Opportunity** to contribute towards your association's directives.

5. **Networking.** Enjoy engaging with peers over a spit braai lunch.

I look forward to a record-breaking attendance at our association's AGM.

See you there!

Kindest regards

Roger Johnston| CEO
